

CANS Training Transitioning to COE

2022

JAN

Starting January 2022, the Child and Adolescent Behavioral Health Center of Excellence is **fully responsible for providing statewide professional development activities related to the CANS**

Professional development activities will include:

- Live training
- Technical assistance
- Coaching
- Office hours
- The development of practice communities

Praed will continue to certify assessors. Following the COE training, the certification exam can be found on [Praed's website](#)

CANS Office Hours with the COE

- The Center of Excellence’s CANS Office Hours will create an opportunity for professionals who are currently using or preparing to use the CANS in practice to ask individualized questions, gain targeted technical assistance as well as receive coaching support.
- Registration is limited to 15 participants per one hour of Office Hours.
- Office Hours will be conducted virtually and in group format.
