

Moving to a Plan for Continuous Engagement

Family Name		Staff Present		Today's Date	
Do you know enough about what is happening within the family to understand what engaged might mean to them?					
Are you willing to consider changing your approach in order to promote more aligned engagement?					
Are some staff more suited to set the stage for changing your approach with engagement? Who and what role?					
How soon can you get started with a next step with the family?					
What can you do weekly that will change the way you engage this family?					
Use the space below to identify specific next steps to engage both the youth and parent.
